

# Range Safety Rules

- 1. Only archers may be in the shooting area - spectators must be at least 30 feet behind the shooting line. NO EXCEPTIONS.**
- 2. NEVER dry fire a bow.**
- 3. Say or acknowledge the "All Clear?" before shooting or retrieving arrows.**
- 4. Keep yourself and your equipment in your own lane.**
- 5. Always point the bow towards the target and/or the ground - NO HIGH DRAWING.**
- 6. NEVER bend over on the shooting line if you drop an arrow, or for any other reason.**
- 7. Always step back from the shooting line if you finish shooting before others.**
- 8. Always WALK to and from the shooting line when retrieving arrows - pick up arrows on the ground first.**
- 9. Safely pull arrows from the targets and carry them behind you with points concealed if you do not have a personal quiver.**
