

Attentive instructors and a good class for beginners.

April 23, 2016

It was our first time doing archery and the guys were knowledgeable, patient and fun! I'll definitely be back!

April 09, 2016

After a long hiatus from the sport the beginner archery class offered by Ohlone Archery was a nice refresher. Nico was a friendly and competent instructor. The facility and equipment were quite nice. There was about 20 minutes of basic instruction including safety and shooting techniques. Followed by 40 minutes of shooting. I would recommend to anyone looking for an intro into the sport of archery.

April 09, 2016

It was fun! The class was small which allowed for personal recommendations on our shots. The owner & instructor were both super friendly.

Show up ready to destroy that target! Aim a little lower than your intended target. Try not to wear a long sleeve shirt.

December 12, 2015

Great fun - we did beginner lesson as a family activity! We'd all like to go back for "open shoot". Nico is a really good instructor who shows you the basics and then lets you figure out what is not working right, and gives you help if you want it. emphasis on safety and proper form.

Not a Tip but a Shout Out to Nico, The Groupon was for my daughter. She really enjoyed it, her session ended up being a 1 on 1 due to other clients being ill. I will surely be signing her up for more sessions.

December 04, 2014

Nico, the owner and head coach was great. The class was small, laid back and way more fun than I expected. Since they are small classes seem to fill up quick, so I recommend signing up on the Ohlone website through their calendar early. I am already planning on taking another set of friends.
